ABOUT OUR DEPARTMENT

FAMU's ACS-approved Department of Chemistry offers the gold-standard B.S. degree. Our curriculum builds a strong foundation in chemical sciences while integrating professional development and exam prep for the GRE, MCAT, PA-CAT, and DAT. Students graduate with the skills needed for success in industry, graduate studies, and health professions -developing expertise in critical thinking, communication, laboratory safety, ethics, and teamwork.

EARN A DEGREE IN CHEMISTRY

OUR PROGRAMS

Degrees Offered

- B.S. in Chemistry
- B.S. in Chemistry | Biochemistry
- B.S. Chemistry/Pre-Medicine & Pre-Dentistry
- M.S. in Chemistry

TARGET CAREER

Salaries

B.S. in Chemistry | Biochemistry

- Biochemist: \$103,650
- Epidemiologist: \$83,980

B.S. in Chemistry

- Materials Scientist: \$104,160
- Chemist: \$84,150
- Forensic Scientist: \$67,440

B.S. (Pre-Med & Pre-Dentistry) Track

- Physician: \$239,200 (or more)
- Dentist: \$179,210
- Physician Assistant: \$133,260
- Medical Research Scientist: \$100,590

CAREER *Gateways*

Our undergraduate programs provide direct pathways to high-demand careers. The B.S. in Chemistry prepares students for roles as Chemists, Forensic Scientists, and Materials Scientists. Our B.S. in Chemistry | Biochemistry focuses on the chemistry of living systems for careers like Biochemist and Epidemiologist. The B.S. in Chemistry (ACS/Pre-Med/Pre-Dentistry) track is the ideal pathway to professional school for roles such as Physician, Dentist, Physician Assistant, and Medical Research Scientist.

For those seeking advanced expertise, the M.S. in Chemistry is designed for senior-level industry roles, specialized research, and preparation for doctoral (Ph.D.) programs. It also serves as excellent preparation for students applying to professional schools in medicine, dentistry, and other health fields.

”

“Graduates from the college’s programs have a strong tradition of achieving excellence and assuming leadership positions in academia, the public and private sectors, and in health care professions!”

”

SUCCESS *Story*

Our **FAMU Chemistry & The 15 White Coats Partnership** prepares pre-medical and pre-dental students for success. Participants receive the official MCAT/DAT Prep Bundle, 15-week courses, continuous CARS training, and personalized study guidance. This support is enhanced by monthly national peer sessions, mentorship from medical and dental professionals, and leadership opportunities. The program culminates in proctored MCAT/DAT exams with detailed analytics to track admission readiness.
